MESSAGE FROM
THE DEPUTY SUPERINTENDENT

Oregon has 197 school districts and over 1,200 public and charter schools. As we work to streamline education and improve the opportunities and outcomes for our students, building strong connections between schools, districts and the broader community will be vital. The Oregon School Directory is a tool that I hope our state will find helpful in making those contacts and building those important connections.

The Online Oregon School Directory is a listing of phone numbers, addresses, emails, and key staff people in all public schools and districts in the state, along with additional information about private schools, ODE staff contacts, and other educational institutions. For more information on Oregon Department of Education staff organized by topic, please see our [ODE Yellow Pages](#).

This directory is updated throughout the school year to ensure that you always have access to the latest contact information for Oregon public schools and districts. However, contact information is only as good as it is current. If you see out-of-date or inaccurate information for your school, please take the time to let us know by completing this [form](#) and sending it to us at: ODE.SchoolDirectory@state.or.us. Thank you for helping us keep this tool as current and accurate as possible.

Wishing you a wonderful school year,

Salam Noor
