UNESCO FORUM ON EDUCATION TRANSFORMATION HELD AT THE NATIONAL ASSEMBLY

- ☐ The Ministry of Education and the Korean National Commission for UNESCO jointly organized a forum to discuss transforming to future education at the National Assembly Members' Office building on August 26, 2022.
- ☐ The forum was held under the auspices of members of the National Assembly, namely Chairman Yoo Kihong of the Education Committee, Assemblymember Kang Minjung, Assemblymember Kim Byungwook, and Assemblymember Jeong Kyunghee. The forum was held to introduce the Futures of Education report published by UNESCO in November 2021, and to proliferate its global education agenda in Korea, while listening to the opinions of people from all walks of life, including teachers, academics, journalists and youth.
- ☐ In the first session, a lecture on UNESCO's report was offered, after which participants debated over key issues.
 - Dr. Kim Doh-yeon, a member of UNESCO's International Commission on the Futures of Education and former minister of education of Korea, outlined the background of UNESCO's report and its implications, emphasizing the importance of transforming the education system in Korea.
